American Extension Cords

American Extension Cords, NEMA 1-15P plug to 3 Outlet NEMA 1-15R Socket Outlet, 15A 125V, IP20

American Extension Cords: NEMA 1-15P with Safety Shutters

Engineered for basic household use, these American extension cords feature 2-prong NEMA 1-15P plugs and receptacles with built-in safety shutters. Delivering 125V/10A power through 18-16 AWG SPT-2 cords (6-25ft lengths), they provide reliable performance for light-duty applications. The reversible design allows for easy insertion in either orientation while safety shutters protect against accidental contact. UL-certified construction with flame-retardant jackets ensures complete safety for lamps, clocks, and small electronics. Perfect for bedrooms, offices, and living spaces where simple, safe power extension is needed.
