

Australia Extension Cords, Australia AS/NZS 3112 plug to Australia AS/NZS 3112 Socket Outlet, 10A 250V, IP20

Australia Extension Cords

Australia Extension Cords

Engineered for durability and safety, Australia Extension Cords deliver 240V/10A–15A power via AS/NZS 3112 plugs, supporting heavy-duty tools and household appliances up to 3,600W. These cords feature flame-retardant RVT/HPVCT cables (1m–30m lengths) with SAA/RoHS certifications, ensuring compliance with Australian standards. Key safety elements include IP66-rated weather resistance for outdoor use, double-insulated wiring, and overload protection.

Australia Extension Cords Functional advantages:

Extended reach: 5m–30m lengths overcome outlet limitations on job sites, farms, and large properties.

Weather resilience: IP44-rated variants withstand rain, dust, and UV exposure for construction or outdoor events.

Safety compliance: Reinforced strain relief and child-proof shutters prevent accidents in workshops or homes.

Ideal for construction, landscaping, and residential use, these Extension Cords prioritize adaptability and safety across Australia's diverse environments.
