

### **Australia Extension Cords, Australia AS/NZS 3112 plug to Australia AS/NZS 3112 Socket Outlet, 10A 250V, IP20**

## **Australia Extension Cords**

### **Australia Extension Cords with Transparent Casing**

Engineered for trust and durability, these Australia extension cords feature innovative transparent PVC casing that allows visual inspection of internal wiring and connections. Delivering 240V/10A–15A power via AS/NZS 3112 plugs, they support heavy-duty tools and appliances up to 3,600W while maintaining SAA/RoHS certifications. The transparent design enhances safety monitoring while providing all-weather IP44 protection against rain, dust, and UV exposure.

#### Key advantages:

**Visible safety:** Monitor internal connections and detect potential issues before they become hazards

**Extended reach:** 5m–30m lengths with double-insulated copper wiring for job sites and large properties

**Weather resilience:** Transparent UV-resistant casing maintains clarity and durability in outdoor conditions

**Ideal for construction sites, workshops, and outdoor events,** these transparent extension cords combine innovative design with reliable Australian-standard performance.
