

## American UL Power Cords

**American Power Cord NEMA TT-30P Rewireable Male Plug, 30A 120V**

Plug and Connector Type: NEMA TT-30P

American UL/ETL/cULus 3 pins NEMA TT-30P plug, American Power Supply Cords with UL/ETL/cULus Certified List.

Built to NEMA 5-20P CSA CAN/CSA-22.2 No.21-95 standards.

Rated up to 30A 120V.

American power cord NEMA TT-30P Rewireable Male Plug is rated for 30A 120V.

This American AC cord is manufactured in accordance with NEMA TT-30P standards and holds UL, ETL and cULus certifications.

It features a non-rewirable 3 prong 2 poles 3 wires molded plug With Earthing Contact (Grounded), permanently bonded to a flexible non-rewirable cord.

For general applications, this American power cord Rewireable supports two flexible cable options for the North American and Canadian markets: flexible cables with thermoplastic PVC insulation, and flexible cables with crosslinked elastomeric rubber insulation.

Both the power plug and cable are made of eco-friendly materials and are fully compliant with RoHS, REACH, PAHs and Prop 65 requirements. The American cords support fully customizable lengths, standard black/white finishes and custom Pantone colors. All NEMA TT-30P American power cords are widely applied to small home appliances and consumer electronics.
